FUNDRAISING

Every school sport and activity has a cost for the registration, uniforms, equipment, supplies, and snacks. Scouting is no different. It costs money to have a successful program for your scouts. Every award, pin, belt loop, and badge adds up. Every camp out, picnic, and activity has a cost. Ribbons, trophies, boats, and pinewood derby cars raise the price.

We strongly believe that money should not be a barrier to Scouting.

This fundraiser is how that is made possible. Please help to make this a successful program for your scout and your family.
